Request following regulation of Secretary of Defense

be transmitted to Soviet Government:

"Pursuant to Proclamation of the President of October 23, 1962, on the 'Interdiction of the Delivery of Offensive Weapons to Cuba' the Secretary of Defense has today issued the following submarine surfacing and identification procedures when in contact with US quarantine forces in the general vicinity of Cuba. US Forces coming in contact with unidentified submerged submarines will make the following signals to inform the sub that he may surface in order to identify himself:

Signals Follow - Quarantine Forces will drop four or five harmless explosive sound signals which may be accompanied by the international code signal "I D K C A" meaning "rise to surface." This sonar signal is normally made on underwater communications equipment in the C KC frequency range.
